Re: "The Open Science Initiative for Perfusion Imaging (OSIPI): Results from the ASL MRI Challenge"

Dear Colleague:

Thank you for submitting an abstract to be considered for presentation at the scientific sessions of the upcoming Joint Annual Meeting ISMRM-ESMRMB & ISMRT 31st Annual Meeting, 07-12 May 2022 in London, England, UK.

I am pleased to inform you that your abstract (title above) has been selected for in-person presentation as a **digital poster** at the Scientific Meeting. Additional session guidelines and detailed presentation instructions will be sent at a later time. Digital poster presentation guidelines will be available shortly at the meeting website.

COVID-19 Vaccination Requirements

ISMRM and ExCeL London require proof of COVID-19 vaccination for **ALL** on-site participants (including all service providers, ISMRM-ESMRMB staff, and guests) attending the Joint Annual Meeting ISMRM-ESMRMB & ISMRT 31st Annual Meeting at ExCeL London.

All on-site attendees are required to show proof of vaccination-completion of a full course of vaccination at least 2 weeks prior to arrival, whether that requires 2 doses or one dose-before being allowed to enter ExCeL London. A COVID-19 booster shot is strongly encouraged as extra protection.

Formal presentations of digital poster sessions will be one hour in length. Your digital poster is tentatively assigned to be presented during the following session:

Session: Arterial Spin Labelling
Day/Date: Monday, 09 May 2022
Session Time: 10:15

The tentative schedule will be posted on the ISMRM website at <https://www.ismrm.org/22m/>. Program numbers will be assigned in March. Please note that the precise date and time of your presentation may still change, though

we will make every effort to avoid a major reallocation. When you arrive at the meeting, however, please verify the time of your session in the official program in case there have been last-minute changes.

Authors who submitted more than one abstract will receive a separate letter indicating the outcome for each submission.

Stipend Notifications

Educational, Clinical, New Entrant, and E.K. Zavoisky Stipend applicants should NOT register for the meeting until they have been notified of the status of their stipend application. Notifications of stipend awards will be sent out within the next week.

The meeting Proceedings will be published online only, with the full text of all accepted abstracts available to advance registrants on 23 April 2022. Submission of your work constituted a commitment by the author(s) to present if invited, but we accept that travel restrictions may prevent you from presenting in person this year. If you or a co-author or colleague are no longer able to present this work in person in London, please notify 2022presentations@ismrm.org. Information about alternative presentation options will be provided by March. Unexcused failure to present will jeopardize participation in future ISMRM programs.

For a list of all abstracts accepted for presentation at the Annual Meeting, please go to https://www.ismrm.org/22/accepted_abstracts.pdf.

The deadline for early registration is 06 April 2022. Please visit <https://www.ismrm.org/22m/> for more information.

On behalf of the Annual Meeting Program Committee, I thank you in advance for your participation in this year's meeting. Our members and attendees look forward to learning about your work.

Best regards,

Steven Sourbron, Program Chair
